A Message from Christian Aid

We wish to record here our gratitude to you for taking part in this event, and our thanks to all who have agreed to sponsor you. Christian Aid was established by the Churches in the UK to give practical help to the world's poorest people (who live in Africa, Asia, Latin America, the Middle East and the Pacific), to refugees and to those affected by disaster. Money raised for Christian Aid is used mainly on self-help schemes in agriculture, health care, trade training, education, community development and resettlement.
